
— affectionately called “nonnas” — from all around the world. Psst...we also Skimm’d some other headlines that made us smile. [Listen here.](#)

Here are today’s recs to help you live a smarter life...

1. A tinted moisturizer that does everything but feels like nothing.

[This viral SPF 35 moisturizer](#)’s 100% clean formula is chock-full of summer skincare essentials like Hyaluronic Acid, licorice root extract, and aloe vera. For a hydrated, dewy glow that’ll last all day.*

[Get 15% off](#)

2. A Mindy Kaling-selected book that’s laugh-out-loud funny.

Alli Frank and Asha Youmans’ novel, [“The Better Half,”](#) follows Nina Morgan Clarke as she faces an unexpected development in the second (ahem, better) half of her life. Read it free with Amazon Prime through June.*
